TRHC

TRHC specializes in the construction of multi-family housing, condominiums and light commercial properties. From Southern Michigan to the Upper Peninsula, we have extensive experience building in communities both large and small.

As builders of affordable and market rate properties, we understand the nuances of government and conventionally financed developments. At TRHC we find great joy in taking our client's vision from concept to completion as efficiently as possible.

Our mission is to be more than a builder. TRHC strives to be a valued member of the development team.

PERMANENT SUPPORTIVE HOUSING

TRHC
www.trhc-llc.com

Over the past four decades, TRHC has worked with multiple owners on unique developments. This has given us an opportunity to build a wide array of project types.

TRHC has worked with for-profit and non-profit organizations that provide permanent supportive housing and are familiar with design features that are associated with the homeless and special needs.

Whether the development is market rate, affordable, historic preservation, permanent supportive housing, mixed-use, or brownfield redevelopment, we have the experience to meet the needs of our clients.
